

The ABC Health Foundation uses medical care to meet both physical and spiritual needs in Albania. Established in 1994, the ABC practices and teaches excellence in health care, while imparting a biblical worldview.

By simply using the browser extension below for your daily shopping online, you are showing Christ’s love to a family in Albania by blessing them with a year-round care of their physical needs through Christian medical professionals.

When you shop online at over 1,800+ retailers, up to 25% of your purchase will go to help ABC at no extra cost to you! ABC will use the collected funds to provide free services to a family in need.

Please spend 5 minutes and explore the instructions below—it’s almost effortless on your part!

All you need to do is download a browser extension, chose ABC Health Foundation, and start shopping!

It’s easy to get started.

Download the PWI Fund Extension into your browser

DOWNLOAD

- 1. Sign In** to the Extension and Choose: **ABC Health Foundation**, on the list of the organizations.
- 2. Shop** as they normally would on any of the 1800+ online stores—and little by little you’ll be making a huge difference! For example, shopping at Walmart.com or Macys.com gives 4% and 18% respectively of the proceeds to ABC for this program.

We will use your online shopping to provide a Christian family with these free benefits at ABC.

Please consider adapting the needs of a Christian family today.
